AURY
Africa (Pty) Ltd

Innovative Continuous Slot Panels 305 x 305 x 31mm

Aury Africa have a complete range of newly designed Continuous Slot Polyurethane Panels.

The panels offer improved efficiency, better drainage and higher durability.They are suitable for a wide range of applications on vibrating screens and feeders, are easy to install and offer an increased wear life. Various apertures are available.

CS Aperture mm	CS Open Area %	PU Open Area %
0,5mm	13,25	14,1
0,63mm	14,1	15,3
0,8mm	15,95	18
1,0mm	18,7	18,1
2,0mm	30,55	23,8
3,0mm	36,47	25,1

Benefits

- Improved efficiency
- Better drainage
- Higher durability
- Wide range of applications
- Easy to install
- Increased wear life
- Various apertures
- Cost effective
